August 10, 2008

The Minnesota State Lodge is pleased to give its endorsement and support to Ed Matthews, candidate for congress in Minnesota's 4th district.

The 2300 members in lodges all over Minnesota of the Fraternal Order of Police have voted to endorse Ed Matthews for Congress.

Ed is solid on issues that would improve the working conditions of police officers, thereby drawing the best and brightest to our profession.

We are impressed by the common sense approach that Ed has toward government. He made it a point to tell us that he would cut wasteful spending in Washington in order to focus on law enforcement at the community level.

In Minnesota's 4th district, the clear choice for voters who want safe, livable communities is Ed Matthews.

Chuck Schauss
